

Thanks So Much

To the Rotary Club of our City:

On behalf of the Jarrell Outreach Project, we can't thank you enough for the generous donation. This year, your contribution not only helped brighten Christmas Day for many local kids, but also provided hams for each of our 38 families for the holidays. Your continued partnership with this project is a true blessing. We appreciate what you do more than words can say. May each of you have a blessed holiday and a wonderful new year.

With humble appreciation,

Jeanne Cooper
Jarrell Outreach Project Chair

The phrase is simple
and the words are few,
but behind them
is a whole lot
of appreciation.
