

Rotary Club of Marble Falls

Keep the tradition going!

Dear Incoming Presidents Elect:

Congratulations for being chosen the new President Elect of your Rotary Club for the 2018 – 2019 year. This is indeed a great honor and the beginning of your personal commitment to “Service above Self”. The New Rotary Year will begin with the largest Rotary function of the District, The Marble Falls Fish Fry. For the past 68 years, Marble Falls Rotary Club has been hosting all of the Clubs in the District. The Fish Fry is not a fundraiser. It is a time for all of the presidents, officers and members to get together and enjoy the best catfish around, prepared by our own club members. **This year it will be held on Friday, July 13, 2018 at the Lakeside Pavilion, 307 Buena Vista, on scenic Lake Marble Falls. Doors open at 6:00 p.m.** Bring your officers, club members and spouses and join us in our annual celebration! **Your club will be recognized at the event.**

We are proud to announce that this year’s speaker is Past District Governor, Lisa Herring, of San Antonio District 5840. She will be a delight to all in attendance.

As if this isn’t enough, after the meal and wonderful speaker, we begin the **Afterglow Dance**. We will have live music by our Club’s own Bill Rives’ Band until 10:00 p.m. Have a fun time with fellowship and acquaintances and make new friends from other clubs in District 5870.

For all of this, tickets are \$12 for adults and \$5 for children and can be purchased online at www.marblefallsrotary.org or at the door.

We hope to see you there!

Sincerely,

John Salem

Past District Governor

Rotary Club of Marble Falls
