Dear Ms. Holloway,

As a Field of Honor Affiliate, the Rotary Club of Sun City helped us achieve the event mission of honoring and benefiting veterans and first responders, inspiring patriotism, educating youth, and promoting unity. Your efforts helped make the Field of Honor® possible, for which we are most grateful.

This year, the impact of the Field of Honor® significantly expanded its reach in Central Texas communities. You may have seen that the media (TV, cable, radio, print, and social media) amply covered the Field of Honor® events, significantly increasing our visibility. As a result, over 1,200 flags were dedicated and well over 200 flags were reposted. Net proceeds from flag sales and reposts will be donated to this year's selected beneficiaries that focus on suicide prevention, PTSD, and family support – *The Austin Dog Alliance, Heroes Night Out, Mustang Heritage Foundation, the 100 Club, and the Suicide Prevention Channel.*

Thousands of Central Texans that visited the 3rd Annual Rotary Club of Georgetown Field of Honor® enjoyed the various events throughout the Veterans Day week. Families and individuals that visited the field felt a deep sense of gratitude for our men and women who serve and have served, and were inspired to have pride in our country and appreciation for our freedoms. Over 1,000 children enjoyed school field trips to interact with veterans and to learn about our flag's history and other significant historical events. Hundreds attended the Patriots Ball as the culminating event of the Field of Honor. Over 40 organizations – including Fort Hood and Camp Mabry – and many community members throughout Central Texas participated as event partners and volunteers.

We thank you and the Rotary Club of Sun City for your support on behalf of our veterans and first responders. We hope that you will continue to support the Rotary Club of Georgetown Field of Honor® with your continued participation in the future. **Save the dates of November 7th through the 15th of 2020 for the 4th annual Field of Honor®!**

Wishing you and your family very Happy Holidays!
