

All,

Thank you so much for committing to fund \$100 in support of purchasing the Bone Marrow Transplant Equipment for The Children's Hospital of Tamaulipas in Ciudad Victoria, Mexico.

Rotary International has approved and funded the project.

The only thing that remains is for all of us to deposit our funds in the Global Grant bank account in Ciudad Victoria, Mexico. The simplest way to accomplish this is for everyone to forward their \$100 to the Rotary Club of Georgetown and we will then deposit all the funds in the Global Grant bank account. **Don't send your \$100 directly to RI as RI has already funded their portion of the Global Grant.**

Killeen Heights – Rich Kaye - \$100
Georgetown (Sunrise) – Jeff Dahmer - \$100
Taylor – George Qualley - \$100
Sun City – Doug Lowe/Sam Smith - \$100
Temple South – Doug Smith - \$100

Your contributions will definitely save the lives of many children in Mexico.
