Healing Thru Horses

John
Thank you for this
gift to the Veteran Programs.

We are blessed to
have the Sun City
Rotary as a
Partner!

Thank you for your donation to ROCK! Your support allows ROCK to continue our mission of improving independence and life skills in partnership with the horse. ROCK's participants see improvements in most aspects of their lives, from muscle tone, strength, flexibility, and balance to cognitive, behavioral, communication, and emotional improvements. You, along with the ROCKateers (those who volunteer at ROCK) as well as the horses and the staff, make this happen daily. THANK YOU! We are taking a short break from classes in the hot August month to allow for rest and additional training. Meanwhile, we have broken ground on the new Heroes Arena and invite you to learn more about this exciting expansion. Please let us know if you might enjoy a tour or are looking for a way to contribute to our new facilities. Again, THANK YOU! You make ROCK a better place for everyone.
