Dear John and Sun City Rotary Member,

Thank you for your very generous gift of \$20,000.00, check 152, in support of The Georgetown Project's Flood Relief Efforts. Your contribution is already making a meaningful impact in the lives of children, youth, and families affected by the recent flooding in our community.

For 28 years, The Georgetown Project has provided direct services that support the well-being and success of children and youth in Georgetown, while also serving as a catalyst for collaboration among youth-serving organizations. In the aftermath of the floods, we've continued operating our core programs—including the Bridges to Growth Parent Center, NEST Empowerment Center, Youth Employment Program, and our youth leadership initiatives—while expanding our efforts to meet urgent community needs.

When flooding displaced families in the Shady River RV Park, Goodwater RV Park, the Riverside community, and other areas along the San Gabriel River, we quickly mobilized to provide emergency shelter in local hotels, basic needs supplies, and coordination with other relief efforts to ensure that families had a dry, safe place to sleep. As families begin the difficult work of recovery, we are committed to helping them find longer-term solutions and stability.

Your support makes this dual response—continuing our direct services for children and youth while meeting emergency needs—possible. We are deeply grateful for your generosity and belief in our mission. Together, we are moving closer to our vision toward our vision that Georgetown is ***“A community where no child is hungry, hurt, alone or rejected, and where all children and youth believe they are loved, respected and treated with dignity.”***

Thank you,

Rob Dyer
