Dear Mr. Chenoweth

I'm pleased to share that as of March 2026, we have successfully raised \$200,000 to revitalize the space behind the Williamson County Veterans Memorial Wall. The generous contribution by the Sun City Rotary Club Foundation played a significant role in making this possible, and work is now in progress for the Reflection Garden.

These grounds will serve as a lasting tribute to all members of our Nation's Military Services—honoring those who have served, those serving today, and those who will serve in the future.

We are deeply grateful for your financial support in bringing this garden to life for our veterans. You are warmly invited to join us for the Memorial Day Ceremony and Dedication on May 25, 2026. After the ceremony, please stay with us at the garden for photos and to receive a Certificate of Appreciation for the Sun City Rotary Club Foundation.

Respectfully,

Diane L Klutz, PhD
