Congratulations!

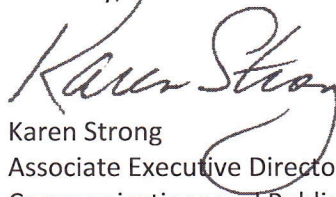

You were recognized by Jarrell ISD as a supporter of Texas public schools during the 2016-17 school year, and we at the Texas Association of School Boards (TASB) add our appreciation for your willingness to go the extra mile for schools in your community. Through your generosity, students, teachers, staff, and the schools at large benefit tremendously from your help in making public education in our state the best it can be.

Each summer, the July issue of *Texas Lone Star* magazine, TASB's flagship publication, celebrates the "Good News about Public Schools" with stories spotlighting public school successes from across the state. This year's theme, *Speak Up! Speak Out for Texas Public Schools*, highlights examples of success and achievement taking place in Texas public schools.

Again, we thank you for your continuing efforts and hope that the articles in this publication will newly energize your support for the outstanding work going on in the public schools in your community and throughout the state.

This special issue is also available online at texaslonestaronline.org. Feel free to spread the good news by sharing the link with others interested in public schools.

Sincerely,

Karen Strong
