Quote of the Week

The truth is that all men with power ought to be mistrusted.

James Madison

April is Maternal and Child Health Month.

Every day mothers risk their lives giving birth, and millions of children die each year from treatable, preventable diseases.

Meeting: March 30

Doug Lowe led a discussion on the subject of **strategic planning**. He asked for volunteers to be on a committee to work on strategic planning for the Rotary year 2021-2022.

Meeting: April 6

Our speaker was **Lauri Tulloch**. She represented the **Sertoma Club**.

Their mission is to improve the lives of people at risk or impaired

from hearing loss. The Georgetown club's main focus is speech and hearing. They work closely with other agencies to provide hearing aids for qualified clients.

Happy Birthday and many, many more to.....

Rotary Business

Returning to "in-person" weekly club meetings at Mulligan' will have to wait at least one more week. Everyone should have received **President Al's** message regarding this Tuesday's meeting "in-person" cancellation. We'll ZOOM at least one more week before we can eat lunch again together.

Mickey McLaughlin will take the place of **Jan Williams** as President-Elect for the next Rotary year.

The Rotary district has again had to cancel **RYLA** camp in July due to the dangers of Covid 19. Our club's RYLA committee supported this decision.

Future Programs

Please continue to send your ideas for programs and speakers to **Jan Williams** and **Karen Block**.

ClubRunner has lots of information about our club and Rotary. Check it out.
