### Thought for the Week

Everything comes to him who hustles while he waits.

Thomas Edison

### Today's Program

Renee Mercier is in charge of the program.

### Last Program-April 8, 2008

Our speaker, Mike Dewey, was introduced by Bill Miller. Mike is a graduate of Texas A&M and is an Austin businessman and entrepreneur.

Mike heads up "The Victory Project" whose main focus is to find a cure for breast cancer. His wife's family's struggle with this cancer was his initial motivation.

The project aims to offer a very large financial incentive to whoever can find a cure. He believes that the discovery will come from outside "the system".
