## Thought for the Week

Right now is important,  
tomorrow does not exist.

Japanese quote

## Today's Program

Al Cummins will present the  
program today.

## Last Program-August 12, 2008

What kind of experience would it  
be to attend a Rotary International  
Convention? Maybe there would  
be 20,000 people in attendance.

Norm Peters and PDG Bill Bryce  
presented our program today based  
on their experiences at RI  
conventions. From the opening  
ceremonies, you feel proud to be a  
Rotarian. After listening to  
speakers, you feel there is hope in  
solving some of the world's  
problems. The impact of Rotary  
on the world comes through.

Both Norm and Bill agreed that  
there is great entertainment at an  
RI Convention, as well as  
hundreds of booths to browse.  
Norm's concern is the rising cost of  
attending a convention. Bill has  
observed that all the important  
people in Rotary stay at the same  
hotel.
