Quote of the Week

Being entirely honest with oneself is a good exercise.

Sigmund Freud

August is Rotary's Membership and Club Development month.

Meeting: August 10

Beverly Luedke, our new District Governor, received a warm welcome from our club.

Her message for the new Rotary year was to get on your Rotary shirts, roll up your sleeves, and let's get started to change lives. We can make a difference.

One of her first projects is to supply clean water to a Navaho Indian community in Arizona. She has many other projects in mind.

A special collection was taken up among members to be donated to this water project

Meeting: August 17

Our speaker was **Kimberly Garrett** who represented Georgetown Parks and Recreation.

This city department is updating its recreation master plan. The plan will guide the growth and development of parks, public spaces, and recreation programs for the next ten years, The plan is necessary to meet the needs of the city's rapidly growing population

Kim also talked about how the city acquired the land for **Garey Park**, one of Georgetown's newest parks.

Missing Rotarians

It was good to see the return of **Don Mabray** and **Allison Dickmann**. Other members are dealing with health issues, and we look forward to their return.
