Quote of the Week

It's better to walk alone than with a crowd going in the wrong direction.

Meeting: July 25, 2017

Presiding: **Sam Smith**

Program: **Sam's** presentation was about the students of Eastview H. S. building a small airplane from a kit. Inquiries have come from other parts of the country regarding this project

Recently, the plane was flown up and back to the Oshkosh, Wisconsin air show. Nine students were driven by van to the show. Twenty seniors received scholarships for their work on the airplane.

For every person who would make a great Rotarian , there is a club that is a good fit.

Meeting: August 1, 2017

Presiding: **Sam Smith**

Erland Schultz, the development director for Hope House in Liberty Hill, presented a program on the institution. He described it as a forever home for severely mentally and physically disabled children and adults.

When individuals move to Hope House, it is usually for life. Hope House relies on state funding and private donations. The waiting time to be admitted is very long because of their limited facilities.

August is Membership and New Club Development Month
