Quote of the Week

If God had wanted us to fly, he would have made it easier to get to the airport.

Jonathan Winters

Last Program (Dec.2)

We listened to the bios of **Karen Block** and **Ginny Wagner**.

Karen was born in Miami, Fl. and lived much of her life in the state. She is most proud of her writer daughter and a son doing his doctoral work. She is currently the manager of Zounds Hearing Aids here in Georgetown.

Ginny was born in Tulsa. Her career was spent in accounting, working mostly in Houston. She is also proud of her family. Her favorite pastime over the years has been playing bridge, sometimes professionally. She currently works in Community Standards here in Sun City.

Happy Bucks (\$112)

Lou Gibson was thankful for AETNA Medicare. Many were happy to have celebrated Thanksgiving. Others were just happy to be present. **Doug Lowe** contributed a buck for each of his 75 years.

Harold Bergh was happy he had extra money to contribute. With a new coach, **Glynn Hatley** was hopeful that SMU can make a comeback. So many of the happy bucks were given on the return of **Lou Gibson**.

Rotarians in the News

Congratulations to **Alex** and **Patti Munson** on their 41st wedding anniversary.

Ginny Wagner has also celebrated a birthday.

Membership Matters

Harold Bergh spoke about how our membership has grown over the year and why getting new members is so important to the future and success of our club.

Tuesday Dec. 9th

This day was planned for the wrapping, and later, the storage of the gifts. A Rotary meeting was held after lunch where the main business was presenting checks from our August fundraiser.

President Bob and **Donna Taylor** presented checks to representatives from the **GT**

Eagles' Nest, GT Locker, Jarrell Locker, Assistance League, and Backpack Buddies.

These funds will benefit youth programs in our area.

Today's Program

The membership will vote on the new officers and board members for 2015-16.
