## Last Program(Feb. 3,2015)

Dressed as a medieval knight and representing an organization called **Knights of the Guild**, **Cass Garcia** did an informative program named **Early Act/First Knight**. Our club would like to start the First Knight program in the elementary schools in Jarrell ISD. The curriculum would come from the **Guild** and the program

would be financially supported by our club. In schools where the program is in place, discipline problems have been significantly reduced. Members who have attended the knighting ceremonies have been impressed with the program.
