Last Program (Jan. 6, 2015)

In 1898, **Frank Harrah** traveled down from Missouri and bought 40 acres of land just east of present-day Oklahoma City. The town which originated here would be named for **Bill Harrah's** grandfather, Harrah, OK.

Bill related this and other family stories as part of his program. He played on the 1951 Oklahoma National Champion baseball team, served his country in the Marine Corps, and had a

professional career with Merrill Lynch. **Bill** is also a past president of our club.
