## Quote of the Week

We have always held to the hope, the belief, the conviction, that there is a better life, a better world, beyond the horizon.

FDR

## January is Vocational Service Month.

### Meeting: December 8

Our speaker was Bebe Johnson representing the Georgetown Project. This organization's main purpose is to focus on the needs of homeless youth. With the help of the community, they provide many programs to do so.

### Meeting: December 15

Our speaker was **Trudy Marshall**. She is part of a group which supplies library books to rural villages in Uganda.

**Trudy** travels to Uganda to make sure the village schools receive the books. She is very much at home

in the villages and enjoys being with the people.

### Breakfast with Santa

The pandemic made it necessary for the club to have only an abbreviated form of our signature event for 2020.

Under the guidance of **John Chenoweth**, the club was able to provide bags of goodies to children by means of a drive-by pickup at the Community Center. The leftover bags were given to the Caring Place to distribute. The club was also able to provide H-E-B food cards to many families.

A big Rotary thank you to John for his leadership, and to the members who went to fast food restaurants and asked for food coupons to donate to families.

And, thank you to the many Rotarians, spouses, and friends who gave their time and energy on

Friday and Saturday (December 11-12) to pack and distribute the bags.

The children in the cars were given a thrill with Santa being there.

### Happy Birthday and many, many more to:
