Ernestine Brown and Allison Dickmann were presented with **Paul Harris** Plus Ones. They were given by **Stephen Brown** and **Carolyn Holloway**.

Meeting: Dec. 18

We listened to bios given by **Lou Gibson** and **Stephen Ellis**.

Breakfast with Santa

Our club's signature event was a huge success because of the efforts of the Georgetown firemen, Kohl's volunteers, Interact students from the Jarrell ISD, spouses, special friends, and the largest number ever of members.

Special thanks to the members who did the preliminary work of supervising the shopping at Kohl's, getting supplies and setting up the community center with tables and chairs.

The success of this event was also due to the leadership and work of **John Chenoweth**.

John reported that 1025 people were served and \$1285 was collected at the front table.

A super Thank You to **John!**

January is Vocational Service Month

Member Survey Results

The satisfaction survey will be discussed at the next meeting. The purpose will be to review, analyze, and use the survey data to identify, prioritize, and begin to solve club problems. How far we get into solving problems depends on membership involvement.
