## Quote of the Week

It is better to light a single candle than to sit and curse the darkness.

Confucius

## President's Night (June 24)

Outgoing President **John Chenoweth** highlighted our club's many accomplishments of the past year. As Rotarians, we can be proud that **Rotary** has given financial support to people and many organizations, both in Georgetown and Jarrell.

Congratulations to **Carolyn Holloway** for being named Rotarian of the Year.

Thank you, **Adaire Wolf** and **Barb Pekar**, for organizing this special night.

## A Big Rotary Thank You to

**John Chenoweth** for your hard work and leadership this past year. Unless you have been a club President, one can't imagine the time, work, and energy that it takes to do this job.

We welcome **Bob Elam** as he assumes the duties of the President for 2014-15.

## Thanks to the Troops -Golf

Last Thursday, Rotarians welcomed the service men and women from Fort Hood as they came to hole #4 at White Wing. Cold water and snacks were given out. It was a fun time for us greeting, thanking, and finding out the hometowns of our troops. They were most appreciative.

Our club paid for a whole team (3 soldiers) in addition to sponsoring a hole.

## Happy Birthday USA

On Friday July 4, we get to celebrate 238 years of **independence** and **freedom**.

## Program Today

We welcome **Meddy Tekle**, who emigrated from Ethiopia, and is now a successful owner of a business in Georgetown.

## Future Programs

July 8 **David Vince**, (Youth Baseball Coach, Motivator, Author)

July 15 **James Duke**

## Important Dates

**July 26** Last day to sell raffle tickets

**July 26** 1<sup>st</sup> Rotary Fest Fundraiser (Dinner Dance)

**August 12** Draw date for custom golf cart at 1:00 p.m.

**Oct. 28** Anniversary Dinner

## RYLA

Volunteers from our club will prepare and serve a meal to the campers at McKinney Roughs on July 3<sup>rd</sup>.

## Words from the President of Rotary International

Light Up Rotary is our theme for this year, but it is just more than a theme. It is how we in Rotary see the world and our role in it. We believe that no one should sit alone in the darkness. Instead, we can come together, all 1.2 million of us, to **Light Up Rotary**. This is my goal---and my challenge to you.

Gary C. K. Huang

## A Note of Appreciation

Over the past two weeks, my wife, Lori and I, have received many sympathy cards, Emails, and personal words of support from my fellow Rotarians concerning the loss of our daughter, Julie.

We sincerely thank our Rotary Family for reaching out to us.
