Program Last Week

Our speaker, **David Vince**, was introduced by **Don Mabray**.

Don't use the words "you can't do something" to David. He was born with deformed legs and had to have them amputated. They were replaced with prosthetics. He later went to college and received a degree in physical education.

Even though he never played baseball, he became a successful baseball coach in high school and college.

David lives today in southern Louisiana and has become an author and motivator.

Attendance

41 members and 3 guests

Happy Bucks (\$63)

Most members were happy to be Rotarians and happy to be present.

RYLA

Our club recognizes **John Skannal** for the fine work he does each year running the RYLA program.

We also thank these members for volunteering their time and preparing a meal for the campers on July 3rd. **Pat and Don Bender, Marci and Doug Lowe, Boyd Johnson, John Chenoweth, Bob Elam, Carolyn Holloway and Bob Smith (Sunrise Club), and John Skannal.**

Raffle and Dinner/Dance

Greg Barber, Donna Taylor, and Adaire Wolf have already spent so much time and effort to make both of these venues a success. They need our help as well, so keep selling the raffle tickets and encourage your friends and neighbors to attend the dinner/dance.
