Program Last Week

Jim Whittaker introduced **Paul Ohlenbusch**, who is a spokesman for the National Firewise Program. Their goal is the prevention of all fires.

Paul did a very informative program about how to prevent home fires, and how to limit their damage. Keeping dryer vents clean, trimming plants close to the house, choosing firewise plants, and keeping gutters free of needles and leaves were

some of the preventive measures discussed.

Medico in Action

Last week **Lynda Peters** accompanied a small dental team to a village in Honduras. She helped to dedicate a new birthing center built there by MEDICO.

Norm and **Lynda** helped found **MEDICO**. This organization has done humanitarian projects in Central America for over 25 years.

Rotary Fest/Wrap-up

A great time was had by all who attended the affair on Saturday. The decorating committee did an outstanding job transforming the ballroom for an evening in Paris. Some members (engineers) even constructed the Eiffel Tower for ambiance.

We enjoyed a delicious buffet dinner and were entertained, first by **Ray Quigley** and next, by the band **Austin Rockafellas**.

A super Rotary THANK YOU goes out to **Donna Taylor, Adaire Wolfe, Barb Pekar** and all the rest who made this evening a success!

The Raffle

Our raffle sales have gone well and are now closed.

All are awaiting the big drawing on August 12.

Thank you to all who sold tickets...and to **Greg Barber, Adaire Wolfe, and Donna Taylor** for your extra hard work on this project!

The Sun Light

Your friendly writer and his editor will be visiting Oregon and Idaho for the next three weeks. The next Sun Light will appear Sept. 2nd.
