Quote of the Week

Everyone is entitled to his own opinion, but not his own facts.

Daniel Patrick Moynihan

Today's Program

Charley Ray presents Bob Whitney. He is the agriculture extension agent for Williamson, Comanche, Tarrant, and Parker Counties. Bob was chief of party and team leader for an extension project teaching agriculture technology to Iraqi extension agents. He was also involved in international agriculture work in Honduras, Guatemala, Kenya, and China.

Welcome Bob!

Last Program-June 30, 2009

Six Rotary guests from the Matamoros Sur club presented the program. They showed how a matching grant from our club and others had been put to good use providing emergency room equipment for a Red Cross clinic in Matamoros, Mexico.

Another project in which they are seeking financial assistance is to provide first aid kits for elementary schools with 60,000 students, also in Matamoros, a city of about 800,000 people. One of the gentlemen showed us a sample kit.

A question was raised after the meeting about whether their club provides any financial aid to any clubs in Texas. The answer was yes; they are currently helping an Austin club on a project.
