## Quote of the Week

You have to be utterly egocentric to believe you are self made. Each of us is made because so many people helped us become what we are.

**KR Ravindran**  
President of RI

## Last Program (June 23)

We listened to **Debra Freeman** explain a local program called **Faith in Action**. This coalition of congregations and volunteers drive seniors who are unable to drive to stores and doctor appointments. This group serves 475 clients, now using 145 volunteers. They are always seeking more volunteers to be drivers. Call 512-868-9544 to help.
