Rotary Opens Opportunities

RI's theme for 2020-21.

Meeting: June 23, 2020

Sam Smith did an interesting presentation on the topic, **Yamashita's Gold**. It is the name given to the war loot stolen by Japanese forces during WW II. It was hidden in caves, tunnels, or just underground in the Philippines before the war ended.

Meeting: June 30, 2020

The installation of new Rotary officers was the focus of this meeting. Our outgoing president, **Adaire Wolf**, thanked the membership for their understanding and cooperation these past four months. She also had some special awards to announce.

John Chenoweth and **John Schwebke** were named **Rotarians** of the Year.

John Ftacek, **Bill Chapman**, and **Tom Minor** were the recipients of the **Gaz Green Service Above Self Awards**.

Our club gives a super thank you to **Adaire Wolf** for finishing out **Barbara Barrett's** term as President.

With **Adaire's** leadership and **John Chenoweth's** technical skills, using Zoom, our club has done well under the circumstances.

President Al's message for the next Rotary year is to keep things simple. We will eventually get through this crisis and return to Mulligan's.

July is Rotary Transition Month (District 5870's theme for July is "Bring a Friend to Rotary.")

Happy Birthday to:

Don Bender July 10
