## Quote of the Week

“That’s one small step for man, one giant leap for mankind.”

**Neil Armstrong’s** words as he was about to step on the moon on July 20, 1969. *(Learn more at this week’s meeting from our guest speaker)*

## A Recap of President’s Night: June 26, 2019.

**Sam Smith** highlighted all the projects of our club over this past Rotary year. We thank **Sam** for his leadership and hard work. **Barbara Barrett** was installed as president for 2019-20.

Two of **Barbara’s** main goals will be to grow the membership and to get all members involved in club activities and projects.

Thank you to the members and guests who set up the room and helped with the clean-up at the end.

Hopefully, it was a pleasant evening for all members and guests.

## RYLA Camp

On July 4, a group of members, spouses, and friends traveled to McKinney Rough Nature Center and helped chefs **Sandy** and **Jennifer** (from Pflugerville Rotary Club) serve lunch to 108 campers and 30 counselors.

Our club thanks **John Chenoweth, Doug and Marcy Lowe, Tom and Lori Minor, Patty Sharp, John Skannal, Carolyn Holloway, Bill Schoen, and Betty Bauer** for your service. *(future FYI: Wear a hat or else you’ll have to wear a very fashionable hairnet!)*

A special thanks goes to **John Skannal** who serves as coordinator of this very important Rotary Club program each year.

## Future Meetings

July 9 **Cowan Creek** Program: **Tom Gallagher** will be our speaker.

As an equipment specialist at **NASA** in Houston, **Tom** worked

with the astronauts in the manned space flight program.

**The Next Three July Meetings Will Also Be Held at Cowan Creek.**

**Rotary Connects the World:** This is RI’s theme for 2019-20.
