#### Meeting: May 18

Our speakers were **Nicole Duntsch** and **Nick Leschke**. They spoke on behalf of **Georgetown Living Home Health**. It is a local agency that offers a full suite of health services in the patient's home.

Such healthcare, as physical, speech, and occupational therapy, are provided in the home.

#### Meeting: May 25

Our speaker was **Jim Deuser**. He is a member of the Downtown Rotary Club. **Jim** spoke of the work of the committee on **Racial Unity**, which

meets weekly in Georgetown.

Their mission is to develop and implement a model for the Rotary Club of Georgetown, using the Four-Way Test as a guide for ending individual and institutional discrimination based on race or ethnicity.

It is hoped that this model will serve as a guide for other Rotary clubs and organizations to work for racial unity in our country.
