Today's Program

Rich Petro presents Kent Miller from the Northwest Austin Rotary Club today. He is the chairman of our district's World Peace Center. His program will be an explanation of RI's "Program of Peace Scholars".

Last Program-June 3, 2008

Our speaker, Daniel Anstee, was presented by Barbara Pekar. Daniel is the unit director of the Boys and Girls Club of Georgetown.

The club was started in Georgetown in March, 2006, and is located in the Stonehaven Public Housing area.. A core group of staff and volunteers operate the club with organized programs for children.

Presently, most of the boys and girls come from the immediate neighborhood, but Daniel would like to expand to the west side of town. A fee is charged to use the facility, but it is waived if the family cannot afford to pay.
