Quote of the Week

If you are out to tell the truth, leave elegance to the tailor.

Albert Einstein

June is Rotary Fellowships Month

Please refer to *ClubRunner* for an explanation to the meaning of this special Rotary month.

Meeting: June 1, 2021

Our speaker was **Rita Turner** representing the **Caring Place**.

We learned that this Georgetown organization provides many other assistance programs, in addition to providing food to needy families.

They assist people with rent/mortgages, utility bills, emergency transportation, and emergency shelter.

All of these programs are made possible with widespread community support and donations.

Meeting: June 8, 2021

Our speaker was **Dr. Shelly Ghafoori** from the Austin Retina Associates. Using a power point, **Doctor Ghafoori** presented a program on the causes and treatments of macular degenerative disease.

There are ways to help prevent this disease by taking certain vitamins, foods, sun protection, and avoiding smoking.

Paul Harris Honor

Carolyn Holloway was awarded a PHF+5.

FYI, we need just 9 more members to become **Paul Harris Fellows** to become a 100% PHF Club.

Field of Honor

Members have been asked to volunteer for this committee. This group will work with the Downtown Rotary club on this annual patriotic event.

Rotary Meetings

Our club meets now at the Oaks (Legacy Hills). The sound system is an improvement and the meals provided by CJ's Catering taste good.

President's Night

(Saturday, June 26 at 5:30)

Directions to the Home of David and Adaire Wolf:

Go east on 195 to Shell Road. Turn left and you are on CR143. Proceed on this road and you will eventually come to an open area. The Wolfs' driveway is marked by a water tank labeled 750.

Please take the time to read the *ClubRunner* as it contain informative articles.
