Thought of the Week

When I was young, I used to admire intelligent people; as I grow older, I admire kind people.
 Abraham Herchel

Today's Program

Our club welcomes these distinguished members of the Rotary Club of Matamoros Sur:

- Paco Marroquin-past president
- Ricardo Perez-public relations
- Gonzalo Garcia-sergeant at arms
- Juan Hector-current president
- Juan Guerra-past president

David and Maria Leas worked two years ago with this club on a matching grant. The project was finally completed earlier this year, and our guests will be presenting a review of the results. These Rotarians will also be discussing a new project they will be working on in the near future.

Last Program-June 16, 2009

Our guest speaker was Stephanie Sheppard from Ride on Center for Kids (ROCK). She was introduced by President Chris.

Stephanie discussed the many programs and activities that ROCK provides. So many children with disabilities, and now, wounded soldiers from Fort Hood, benefit from this program of riding horses.
