

# THE SUN LIGHT

THE ROTARY CLUB OF GEORGETOWN-SUN CITY  
MEETS TUESDAYS, 12:00 P.M. @ SUN CITY BALLROOM  
MARCH 11, 2008

### Thought for the Week

It is amazing what you can accomplish if you don't care who gets the credit. Harry Truman

### Today's Program

Don Mabray presents Grant Teaff, who is currently the executive director of the American Football Coaches Association and the former Athletic Director at Baylor University.

### Last Program, March 4, 2008

At the last program we heard three member bios. First, Greg Bowden told us he began his career as a math and science teacher. He married his high school sweetheart, and later, he changed his career and joined AG Edwards (now called Wachovia Securities).

Steve Reeves grew up in Marshall, TX, married his high school sweetheart as well, and became a dentist. While in the Army, he practiced dentistry at West Point. After the army, they moved to Conroe where he set up his dental practice and where he joined Rotary.

Buddy Sims was raised in Kansas. After the Marines, he attended college. During the Vietnam War, he was a pilot in the Air Force, and later he became a commercial pilot. In May, 2002, he was recalled to active duty and served until June, 2004. Buddy returned to Colorado and started another ADT Security System Company.
