Quote of the Week

The simplest acts of kindness are by far more powerful than a thousand heads bowing in prayer.

March is Rotary's Water and Sanitation Month

Rotarian Magazine

Water and sanitation problems are not only found in third world countries. In the March issue, there is a story about inadequate sanitation systems in rural America.

In this issue, there are also some amazing stories of survival and adventure of fellow Rotarians.

Meeting: March 2

Our speaker was **Joe Austin**, the football coach of Southwestern. He was hired in 2012. The team was conference champs in 2016 and nationally ranked.

The 2020 football season was cancelled because players developed COVID-19. A shortened schedule is in place for March with no fans allowed

Meeting March 9

Our speaker was **Delta Jolly**. After years as a dispatcher, she followed her dreams and became a police officer for the Georgetown Police Dept.

Delta is a role model and resource officer in the public schools. She is also a self-publishing author, whose children's books are meant to inspire others.

Happy birthday and many, many more to.....

Future Programs

Please continue to send your ideas for programs and speakers to **Jan Williams** and **Karen Block**.

They will contact the person to set up a date.

Vaccinations

More and more members have continued to get their first and second shots. It is hoped that in the near future the club can return to Mulligans for weekly meetings.

Talks are under way to see when this will be possible.
