Quote of the Week

If your actions inspire others to dream more, learn more, and to do more, you are a leader.

John Quincy Adams

March is Rotary's Water and Sanitation Month

Meeting: March 16

Our speaker was **Karron Wilson**. She spoke on behalf of **Seeds of Strength**. It is a non-profit philanthropic women's circle located in our city.

Its purpose is to improve the lives of children and families. Adults are helped to improve their education, thus giving them more financial security.

Meeting: March 23

We listened to the bios of **Mickey McLaughlin** and new member, **Jay Printz**.

Mickey has recently rejoined our club after

working and living in the Tyler area.

He was born and raised in New York state and attended Fordham University. His career has been in sales, mostly with windows. It is good to have **Mickey** return.

Our club welcomes **Jay** as a new member. He attended Oklahoma University.

As an entrepreneur, **Jay** lived in many parts of the country.

He later earned a law degree, and finished up his career as a commissioner in a small county in Colorado.

Boyd Johnson

Our club has received the sad news of the passing of **Boyd**. This friendly, fellow member will be missed

Rotary Question

President Al has sent out a message to the

membership asking if we are ready to return to Mulligan's for our weekly meetings. Please respond to his message.

Vaccines

The April issue of our *Rotarian* magazine has an informative story on the history of vaccinations.

All of us can remember getting vaccinated from polio, smallpox, and our yearly flu shots. And now we are getting vaccinated to prevent COVID-19.

Future Programs

Please continue to send your ideas for programs and speakers to **Jan Williams** and **Karen Block**.
