

THE SUN LIGHT
THE ROTARY CLUB OF GEORGETOWN-SUN CITY
MEETS TUESDAYS, 12:00 p.m. @ SUN CITY BALLROOM
March 9, 2010

Thought of the Week

The first duty of a human being is to assume the right functional relationship to society, more briefly, to find a real job, and do it.
 Charlotte Gilman

Today's Program

Peggy and Terry McCarty present The Chatfield Story, a program about a Union soldier's survival during the Civil War (1861-1865).

Last Program - March. 2, 2010

Our speaker, Sandi Phillips, was introduced by Lou Gibson. Sandi worked for Texaco Oil for many years as a geophysicist in Angola, West Africa.

While living and working in there, Sandi saw the destruction of Angola brought on by years of civil war. Now that the war is over, Angola must rebuild its infrastructure. This is possible because the country earns huge amounts of money from its oil. The country must first rid itself of government corruption.
