## Quote of the Week

The only place success comes before work is in the dictionary.

**Vince Lombardi**

## **May is Rotary's Youth Service Month**

### Meeting: April 27

Business meeting only

### Meeting: May 4

Our speaker was **Cat Phelps**, the Extension Director at the YMCA for greater Wm. County

The **YMCA** provides programs for adults and children throughout the county.

### Meeting: May 11

**Rich Strayer** was our speaker. His topic was the **Guatemala Literacy Project**.

In the early 1990's, six hundred Rotary clubs joined together to provide books to improve literacy and to reduce drop-out rates in the schools in Guatemala. This program

was also used to reduce isolation and poverty.

Since the project began, over 225,000 children have been through this program.

In the beginning, teachers had to be taught how to teach from books. The books used now have to be made of plastic to stand up to the wet and humid climate.

## Paul Harris Honors

PHF Awards (*previously earned during the time our Club was meeting "virtually"*) were finally presented by John Chenoweth to Rotarians:  
**Debbie Ballou** new PHF  
**Judi Stanfield** new PHF  
**John Ftacek** PHF +3  
**Mickey McLaughlin**

PHF +2

*Presented May 4 by President Al:*

**Gary Sandercock** PHF +1

## The Passing of Bill Bryce

**Bill** was a member of the downtown Rotary club. He enjoyed coming to our meetings as well.

On many occasions he would install new members in our club. **Bill** would always tell an interesting story about a person who had shown great courage.

**Bill** was always such a pleasant person and a fine gentleman.

## Future Meetings

Beginning June 1, our meetings will be held at Legacy Hills (The Oaks). At this time a caterer for the club hasn't been determined.

## President's Night

This annual event will be held on Saturday June 26<sup>th</sup> at the home of **David** and **Adaire Wolf**.

There will be no charge for members and guests.

More information about the party and directions to follow (*previously posted wrong info on the website will be corrected*).
