

THE SUN LIGHT

THE ROTARY CLUB OF GEORGETOWN-SUN CITY
MEETS TUESDAYS, 12:00 P.M. @ SUN CITY BALLROOM
MAY 26, 2009

Thought of the Week

I'm a great believer in luck and I find the harder I work the more I have of it.

Thomas Jefferson

Today's Program

Trubee Racioppi presents Corrie Hill, the batting coach for the University of Texas softball team.

Last Program – May 19, 2009

Our speaker, Chuck Hayes, was introduced by Rich Petro. He is a retired physics professor from the University of Hawaii.

Chuck's expertise was used in court cases for accident reconstruction. Using math formulas, and later, computer programs, he provided testimony in court cases when fault had to be determined in car crashes. His knowledge was also used in slip and fall cases when people fell in commercial establishments.

Chuck is an admirer of Rotary and the worthwhile projects in which it is involved.
