Today's Program

Lou Gibson will present a program on Alzheimer's.

Last Program – April 28, 2009

The program was presented by our own Dr. Alex Munson. Although most of Alex's career was spent as a child psychiatrist and dealing with abuse cases, he was called upon to do the unpleasant job by the courts of giving evaluations in murder cases.

His program consisted of several cases which involved adults; he discussed the circumstances and outcomes.

The campers and their parents will be invited to our meeting on May 19. In the fall the students will return to speak at one of our meetings. (We may need volunteers to serve a meal during the week of camp. David Wolf and Savannah Truelove are coordinating our club's help with RYLA.
