Meeting: Nov. 2, 2021

Our speaker was **Leslie Hearne**, representing an organization named **Laundry Love**.

This group provides the money and detergent so that the city's homeless and low-income people can wash their clothes at the laundromat for free.

Laundry Love is in partnership with individuals, groups, and local laundromats to provide this service.

Meeting: Nov. 9, 2021

Karen Crosby was our speaker. She represented the **Georgetown Locker**.

The Locker provides assistance to children in need throughout the Georgetown ISD.

Karen spoke about the kinds of assistance given to children.

She is also looking for volunteers to be present at the room only **at noon** at the Georgetown High School when needy children are provided with basic necessities. The kids handle this responsibility.

Field of Honor

Hopefully, everyone got to see the Field of Honor put on by the Rotary Club of Georgetown (downtown).

With over 1500 American flags flying in the wind, it was truly a beautiful sight.

The traveling **Vietnam Wall** was also on display, listing the names of our military men and women who lost their lives during the Vietnam War.

Rotary International President, **Shekhar Mehta** and wife, **Rashi**, attended the opening ceremonies on Nov. 7th.
