Quote of the Week

The most unhappy people are those who fear change.

November is Rotary's Foundation Month.

The Rotary Foundation depends on the generosity of Rotarians to continue doing projects that serve the world.

Meeting: November 3

David Philips was our speaker. He represented Georgetown ISD as a school board member.

David also supports **Dads on Duty** in the schools to get more positive role models in the elementary schools.

Jeanine Cox, who is the chair person for the **Field of Honor**, spoke about this upcoming event to be held in San Gabriel Park.

It is an annual project of the downtown Rotary Club.

The Field Of Honor

It was a stunning display of over 1500 flags. What an awesome sight it was to stand on the platform and view American flags.

Meetings: Nov. 10, 17

Both were about club business. Some of the topics discussed were Breakfast with Santa, bylaws, and election of officers for 2021-2022.

The breakfast this year will have the club passing out individual bags of goodies to the children. The details of what will be in the bags are under discussion, as well as how they will be distributed. Food cards for H-E-B will also be given to preselected families.

The bylaws have been revised and updated.

A slate of officers and board members has also

been selected. The members will vote on this list. The details on how we will vote will be sent out to the membership.

A big Rotary Thank You to the many Rotarians working behind the scenes to keep the club functioning at a high level.
