## Quote of the Week

We have two ears and one mouth so that we can listen twice as much as we speak. **Epictetus**

## Meeting: Nov. 13<sup>th</sup>

We listened to a program by the **Billihimers**, close friends of **Susan Snelson**. On a trip to Uganda in 2004, this couple saw that people were using pools of dirty water for drinking. They resolved to do something about this condition.

Since 2004, they have raised the money and 626 water wells have been constructed in Uganda. They still make annual trips to this east African country.

## Meeting: Nov. 20<sup>th</sup>

**William Kelberlau**, a retired Navy veteran and member of the Sunrise Rotary Club, presented a program with the subject being modern day slavery

that exists around the world today. There are an estimated 40.3 million people living under this condition.
