A Prayer of Thanks

May your gracious blessings continue to rest upon our nation and upon our military men and women who defend its shores. Help us always as Rotarians to be mindful of our responsibilities to our great nation, to our community, to our fellow human beings.

We were entertained by the accordion playing of **Harold Bergh** as part of our Oct. Fest. The second part was **Harold** doing his bio.

He was born in New York City, and in 1948, the Bergh family moved to southern California. Harold would later graduate from the USC School of Dentistry when he would have a general practice for ten years before becoming an orthodontist.

Early Act/First Knight

Many members attended these Rotarian-sponsored ceremonies, held Oct. 20 in the Jarrell Schools. It was a proud moment for us watching the children as their names were called to come up on the stage and receive their medallions from the **Lady Knight**. Their parents would come from behind the curtain to enjoy this award with their children.

Volunteers from the **Palace Theater** built a most impressive castle front that will be used in the ceremonies.

Hill County Arts/ Crafts Fair

Sign-up sheets are being circulated at our meetings for volunteers to do the many necessary jobs. This is an opportunity to show residents one way in which Rotarians are involved in Sun City.
