Club Chartered: October 24, 1997

Quote of the Week

If it is not right, do not do it. If it is not true, do not say it.

Marcus Aurelius

November is Rotary's Foundation Month.

The Rotary Foundation depends on the generosity of Rotarians to continue doing projects that serve the world.

Meeting: October 20

Adaire Wolf spoke about the history of our club. She told how the club was founded in 1997. The club's first meeting location was in a back room at the Scott & White Clinic.

Such worthy projects, the origin of **Breakfast with Santa** and packing and sending unused **school supplies** to Honduras were mentioned. Our club has supported numerous international projects

since its beginning. Two of the early giants, **Hugh McAfee** and **Gaz Green's** service to Rotary club were remembered.

Meeting: October 27

Carolyn Holloway and **Judy Stanfield** viewed a virtual program on the organization, **Project Schoolhouse**, operating in Nicaragua. **Carolyn** concluded that donations made for schools were well spent.

Roger Rucker did the program about a facility near Jarrell named **All Things Wild**.

They take in all kinds of injured animals as well as baby animals. The building operates as an animal clinic as they have the necessary equipment to do so.

They have enclosures on the grounds to keep the animals until they are recovered from their injuries and can be set free.

All Things Wild has taken in about 1900 animals this year. The facility operates on public donations.

Upcoming Program

We will listen to the bios of **Laura Buckley** and **Deborah Ballou**.

John Chenoweth has sent out information regarding updates to our club's bylaws and constitution. They will be explained on Tuesday and voted on by the membership (November 24).

Field of Honor

Go and see the many American flags displayed in San Gabriel Park, November 7-15.

ClubRunner contains much information about Rotary and our club. Check it out.
