MEETS TUESDAYS, 12:00 P.M. @ SUN CITY BALLROOM  
NOVEMBER 4, 2008

### Quote of the Week

Good thoughts are no better than good dreams if you don't follow through. **Ralph Waldo Emerson**

### Today's Program

Dick Will presents the program.

### Last Program – Oct. 28, 2008

The speaker, Ogie Shaw, was introduced by Tom Minor. Ogie has been a health and fitness consultant and motivator for over 30 years. He has lectured at many northwestern colleges and universities. Currently, he resides in Beaverton, Oregon.

A lack of exercise has caused a major health crisis for adults as well as children. Ogie stressed that exercise is not supposed to be fun; rather it should be part of a fitness health habit in our lives. He advocates one hour of exercise daily, using all our muscles. He downplayed dieting because he believes it only makes people fat.

The enthusiastic presentation by Ogie Shaw was informative and entertaining.
