Quote of the Week

Reality doesn't always have a bias - liberal, conservative, or otherwise.

James Poniewozik

Program Last Week (10-29)

Our club was the guest of Scott & White Hospital in RR, and we were treated to a delicious turkey dinner. We thank **Stephen Brown** for making the arrangements.

Opening remarks were made by Tom Sloan, director of philanthropy. He introduced the speaker, Ernie Bouvier. His job is to expand the facilities of Scott & White.

Ernie spoke of the challenging times facing all hospitals, giving many examples. He also encouraged our members to investigate Scott & White's Senior Care Health Plan.

President John was presented with a \$1000 check from Scott & White for Breakfast with Santa.
