Quote of the Week

I do not believe that the same God who has endowed us with sense, reason, and intellect has intended us not to use them. **Galileo**

Program Last Week (9-24)

Our speaker, Shelly Hargrove, was introduced by Janice Jacoby. Shelly heads the Main Street Program for the city of Georgetown.

That program began in 1982, and its main purpose was the revitalization of the **Downtown** with historical preservation and economic revival as its goals.

The program also aims to make our city a tourist destination. To attract more companies to relocate here, it was necessary to have a viable downtown. Today, there are numerous events and programs for people to enjoy.

Rotary Challenge

To date, the club has raised \$8506. We still have the month of October to reach our goal of \$10,000. Then our balance will surpass \$70,000 at Chisholm Trail.
