Quote of the Week

History will be kind to me for I intend to write it.

Winston Churchill

Meeting: Sept. 18th

What to do if you get a letter from the IRS? This question and others were answered by **Lyn Parent**, our speaker. She is a federally licensed tax practitioner.

Lyn's advice was to open the letter immediately and follow its instructions. If a phone call is needed, call the IRS early in the morning. Otherwise, you could be kept on hold for a long time if you call later in the day.

Meeting: Sept. 25th

The Supt. of Schools for the Georgetown ISD, **Fred Brent**, was the speaker.

He explained the two propositions in the upcoming bond election.

The funds will be used for future growth, safety and security, renovations and infrastructure and the classroom experience.
