Quote of the Week

To invent, you need a good imagination and a pile of junk.

Thomas A. Edison

(Maybe, if your last name is **Edison**)

October is Rotary's Economic and Community Development Month.

Meeting: Oct. 5, 2021

Our speaker was **Chelsea Solomon** representing the Georgetown water department.

The city is always looking for new sources of water. Georgetown residents use more water than is necessary especially on their lawns.

Meeting: Oct. 12, 2021

Our speaker was **Dr. Fred Brent**, Supt. of Schools for Georgetown ISD.

The school district has nearly 12,000 students

with ten elementary schools, four middle schools, three high schools, and two alternative campuses.

Facing steady, consistent growth, Georgetown ISD has put forth a bond proposition to voters for the third time in six years.

Happy Birthday and many, many more to...

Bob Elam (1943-2021)

Our club was well represented at **Bob's Celebration of Life** Friday morning at the Worship Place.

Some of the remarks about him were that he was really into golf. The same could be said about his life in our Rotary club.

Bob was a past Club President. He also at one time took the lead role for RotaryFest, purchasing

food for Breakfast with Santa, the Sun City Arts & Crafts Fair, and JISD's EarlyAct FirstKnight®.

Oct. 24 World Polio Day (and our Club's 24th Anniversary)

Hill Country Arts & Crafts Fair

It is that time of year for our club to get some community recognition.

Please sign up for any of the necessary jobs. You can use *ClubRunner* or sheets will be available at our weekly meetings.

Let's all get involved!

Future Programs

Oct. 19 **Kathy Farmer** Salvation Army

Future Important Dates
