

The Sun Light

Rotary Club of Georgetown – Sun City

EVERY
ROTARIAN
EVERY
YEAR

www.sctrotary.com

October 20, 2020

Club Chartered: October 24, 1997

Quote of the Week

To the world you may be one person, but to one person you may be the world.

Doctor Seuss

October is Rotary's economic and development month.

Meeting: October 6

Georgetown native, **Robb Hipp**, was our program. He is a radio sports broadcaster in Huntsville, TX.

Robb spoke on the history of radio, noting that 2020 was the 100th anniversary of the first radio broadcast in 1920.

He talked about the difficulty of obtaining either a FM or AM license.

Many members reminisced about the times they listened to out of state broadcasts, and also "watched" the radio (e.g., *The Shadow*) before television.

Meeting: October 13

Danelle Houck was our speaker. She is the director of the Williamson County Museum. Her topic was residual hauntings and ghosts.

A residual haunting is energy left behind by someone. It can manifest as sounds, like footsteps, or an actual apparition.

She talked about the many old buildings in downtown Georgetown where this phenomena has been reported over the years.

A super thank you to the program committee for providing interesting speakers for our Zoom meetings.

Friday, October 24, is WORLD POLIO DAY.

Happy Birthday and many more to:

Boyd Johnson	Oct. 28
Betty Bauer	Oct. 29
Ron Ferreri	Oct. 29

The Rotary Foundation depends of the generosity of **Rotarians** to continue doing projects that serve the world.

A message from Holger Knaack, R I President

"The tools to make Rotary more inclusive, more relevant, and more fun for everyone are at our fingertips. Let's use them now..."

President Al reported that our club's **bylaws** have been updated. Members will soon have an opportunity to vote on and approve the changes.

ClubRunner (our club's website) contains much information about Rotary and our club. Check it out.
