Quote of the Week

My favorite things in life don't cost any money. It's really clear that the most precious resource we have is time.

Steve Jobs

Meeting: October 8

Trudy Marshall spoke about the six months of the year that she spends in the East African country of Uganda. Her main purpose is to supply the bush schools with books.

Trudy also gets involved in getting medical help for some of the local people.

Meeting: October 15

Karen Crosby's topic was **The Locker**. It is a service learning non-profit operated by students. **The Locker** provides assistance to students in need at both high schools. Their motto is "kids helping kids".

The Locker provides donated basic items,

school supplies, and snack type foods to students.

October is Rotary's Economic and Community Development Month.

Mulligan's as a Meeting Location

President **Barb** discussed ways in which our club would save much money if it became our permanent meeting place. Our club would not have to pay to rent the room. Presently, we have to pay the caterer for a certain number of meals each week. The other point is that we would have the same location each time.

The manager of Mulligan's is working with Barb as to menus and AV improvements (screen).

Hill Country Arts & Crafts Fair
