Quote of the Week

There is one way to happiness and that is to cease worrying about things which are beyond our control.

Epictetus (Greek Philosopher)

October is Rotary's Economic and Community Development Month.

Meeting: September 21

Our speaker was **Linda Dwyer**, a prolific writer for the *Williamson County Sun*.

Linda's articles are about travel, food and local entertainment.

Meeting: September 28

Our speaker was **Ron Redmond** who served in **Operation Homecoming** along with other American pilots.

Their mission was to bring 591 American POWs home from the Vietnam War.

The flight restrictions and obstacles put in place by the North Vietnamese made the flights in and out of Hanoi a challenging operation. The flights required Ron's full attention.
