Quote of the Week

Individual commitment to a group effort-That is what makes a team work.

Vince Lombardi

Program Last Week (10-1)

A club Assembly was the program with the focus on these two areas.

President John named the list of officers and directors which will be needed for 2014-15. Each job is available except President.

The next topic concerned Summer Fest with Bob Elam leading the discussion. The talk was about the successful things that were done as well as the areas in which we need to improve. Many things will have to be done better if we want this event to be a financial success.

Sad News

Bill Grusy, another member of the greatest generation and fellow Rotarian, has passed away. We learned in his bio that Bill was a WWII fighter pilot and had a near death experience with a German jet pilot.

Bill loved working on all parts of Breakfast with Santa.

A Prayer of Thanks

May your gracious blessings rest upon our nation and upon those who defend its shores. Help us always to be mindful of our responsibilities to our great nation, to our community, and to our fellow human beings. Amen

Rotary Challenge

To date, the club has raised \$9351. We still have the month of October to reach our goal of \$10,000. Then our balance will surpass \$70,000 at Chisholm Trail. **We can make this goal.**
